

# Fish

Jazmin Bean

I'm a fish that's choking out, hook in my mouth  
Running to the next hit, it will never be enough  
Every time I gorge on my wounds, I feel oh-so sick  
But it seems I'm blameless, I am truly in the shit

Every day's the same (I've got no fins, sinking, drowning)  
Pebbles stuck in my belly (Scrape the bottom, I go on and)  
On and on and on I go, deeper into the abyss I float  
I love every minute of it til I'm bawling and I need to go home

Frowned on by my surroundings but it won't stop the chase  
Once I begin there's no halt until I land on face  
And then I howl and woe is me until I go again  
Living in a life that is so purely play pretend

Every day's the same (I've got no fins, sinking, drowning)  
Pebbles stuck in my belly (Scrape the bottom, I go on and)  
On and on and on I go, deeper into the abyss I float  
I love every minute of it til I'm bawling and I need to go home

I'll try again, I'll try again tomorrow  
I guess I'll try again, I'll try again  
Tomorrow  
Tomorrow

On and on and on I go, deeper into the abyss I float  
I love every minute of it til I'm bawling and I need to go home
