Hello Hello, Kitty!
Hello Dear Friend!
Your smile is pretty like a flower that's in bloom!
Love is in your heart, and sings a happy tune
Hello Hello, Kitty!
Play with us today!

Hello Kitty says you can never have too many...
Friends well bitch, I've got none! No ones no fun they all thin
k I'm dumb
Rotting away in my party of one and I honestly can't tell you t
he last time I saw the sun
Like hello kitty got no worries in a fantasy land
Instead I'm dragging out each day pulling my hair out strand by
 strand
One day I'm gonna get stretched too hard and snap like a rubber
 band
I wonder if this will get better
People do say that it can

I can teach you how to be just like me, crying all night sleepi
ng 'til three
I can teach you how to be just like me, just listen carefully
I can teach you how to be just like me, cute as hello kitty
I can teach you how to be just like me, just listen carefully

Kitty she's my favorite friend (she's my only friend)
I know no matter who abandons me she'll be there till the end
And I know when the world's in flames she'll take my hand and r
escue me out of this shitty place
She keeps me warm stitch me up when I get torn be the light ami
dst the storm, hail kitty she's so adorned
I don't believe in much but if there's one thing that I trust,
if there's a higher being, it must be her
She's never unjust

I can teach you how to be just like me, crying all night sleepi
ng 'til three
I can teach you how to be just like me, just listen carefully
I can teach you how to be just like me, cute as Hello Kitty
I can teach you how to be just like me, just listen carefully
