Traumatic Livelihood

Jazmin Bean

Tail between my legs, walking with a strut
Nothing's black and white but I can plaster up a cut
Make sure to do it quick, rush to the A&E
Or the birds will pick at me, it's scabs for lunch they feed
I can do anything I want
I can do anything I want
I can have my wildest dreams, I can have my wildest dreams
I can have them and I'll do anything I want

You can't stop me and I'll get anything I want
You can't stop me and I'll do anything I want

You can't stop me and I'll get anything I want
Lick the plate clean, and I'll get anything I want
If the prize is in your belly, I'll rip out your guts
You can't stop me, I will get everything I want

Sticky on the floor, so ashamed to be
Then I get the fuck up and rip me away from me
I can get over anything in the fucking world
Maybe I'll never find out if I'm a boy or girl

You can't stop me and I'll do anything I want
You can't stop me and I'll do anything I want

You can't stop me and I'll get anything I want
Lick the plate clean, and I'll get anything I want
If the prize is in your belly, I'll rip out your guts
You can't stop me, I will get everything I want

Something is crawling behind my back
But I'll take it down as it's just a snack
There's nothing that I can't defeat
Take my fucking word for it, please

You can't stop me and I'll get anything I want
Lick the plate clean, and I'll get anything I want
If the prize is in your belly, I'll rip out your guts
You can't stop me, I will get everything I want
