Holding You Down (Goin' in Circles)

Jazmine Sullivan

Why cant I find somebody else When I know Know that you're doing wrong Its so hard Hard to let go

I done went through just about two bags of tissues baby And you're looking at me like you ain't the issue baby And though I tried to leave I cant stop missing you baby And I keep coming I keep coming back

I keep going in circles, circles Round and round And while you're doing me so wrong I just keep holding you down I feel so stupid, foolish Loving you all this way But what I can I say But I wanna go I wanna qo But I keep coming back

Why I'm so confused for you, I have no answer boy When I feel so used by you just like a toy Its a shame that you don't care enough To even give me half the love I give to you I live for you baby I'm ashamed to say that I'm to blame for how you act Cuz I keep coming I keep coming back

I'm going in circles, circles Round and round And while you're doing me so wrong I just keep holding you down I feel so stupid, foolish Loving you all this way But what I can I say But I wanna go I wanna go But I keep coming back

I cant stop... missing you baby

I stay cuz I love you But I hate that I stay You know I won't go Thats why you treat me this way I want to be happy Though it hurts me so bad Don't know what it is that keeps me coming back

Keep going in circles, circles Round and round And while you're doing me so wrong I just keep holding you down
I feel so stupid, foolish
Loving you all this way
But what I can I say
But I wanna go
I wanna go
But I keep coming back
