

# Feel Something

Jazz Cartier

I struggle with God so much  
Because I can't forgive myself and I don't really want to right now  
I can live with it but I can't forgive myself  
And sometimes, I don't want to believe in a God that couldn't forgive me  
But I do, when I'm sober

I've been trying to take control of what I'm doing, but I lost it  
Lately, I don't know what I've been doing, have I lost it?  
The high is almost over, just relax and keep composure  
Add some liquor to your liver, smoke a cigarette for closure  
Uh-Huh  
Have you ever felt alone in your skin?  
Cause y'all wanna feel lonely again  
Have you ever felt alone in your skin?  
Cause y'all wanna feel lonely again  
Cause you know that I've been

In and out of space, In and out of space  
Losing all my faith, Losing all my faith  
Lost without a trace, Lost without a trace  
Bearing all this weight, Bearing all this weight  
No I can't feel nothing (Yeah)  
Just can't feel nothing (Yeye)  
I just wanna feel something (Yeah)  
(This is how it's supposed to be)  
No I can't feel nothing, ain't no need to take another hit  
Cause I can't feel nothing  
(This is how it's supposed to be)  
(This is how it's supposed to be)

Drown in silence, cause I don't like talking much  
Follow me into the darkness, shit, we'll get lost and such  
You ain't even that high but you still trippin'  
It's second nature to a nigga like me, but you made a routine  
So baby girl you gotta live with it  
Let me ask you this son  
Have you ever felt alone in your skin?  
Cause y'all wanna feel lonely again  
Have you ever felt alone in your skin?  
Cause y'all wanna feel lonely again  
Cause you know that I've been

In and out of space, In and out of space  
Losing all my faith, Losing all my faith  
Lost without a trace, Lost without a trace  
Bearing all this weight, Bearing all this weight  
No I can't feel nothing (Yeah)  
Just can't feel nothing (Yeye)  
I just wanna feel something (Yeah)  
(This is how it's supposed to be)  
No I can't feel nothing, ain't no need to take another hit  
Cause I can't feel nothing

No I can't feel nothing (Yeah)  
Just can't feel nothing (Yeye)  
I just wanna feel something (Yeah)  
(This is how it's supposed to be)

No I can't feel nothing, ain't no need to take another hit  
Cause I can't feel nothing  
(This is how it's supposed to be)  
(This is how it's supposed to be)  
(This is how it's supposed to be)  
(This is how it's supposed to be)

You ever feel alone in your skin  
You wanna feel lonely again  
You talk, but I don't listen  
Cause baby I don't feel it
