

I Know

Jazz Cartier

I know ya
I know, I know ya
Babe
I know ya
I know, I know ya
Babe

I know what you 'bout
I know what you like
I know that you down
I know that you might
I know what you know
I know what you see
You know what I got
But I know what you need
(I know)

I know you should gimme a chance
(know you should give me a chance)
You know I just want you to dance
(know I just want you to dance)
I'm in and out of the city (Skr, skr)
I just had a show out in France (Je t'aime baby)
Just give me the time and a place and I'm gone
I just wanna know in advance
(I just wanna know in advance)
I heard you a diva, you live like a DJ
You not one for taking demands (damn, hol' up)
I know that you know that I am the shit (Right?)
I know that you know Jacuzzi legit (Right?)
You know my life is a movie, and
I know that you wanna fit in my script
You know I've been on the road
So what is the word up on road
Even though I am away
Don't break the code
Cause I know what you know

I know what you 'bout (I know what you 'bout)
I know what you like (I know what you like)
I know that you down (I know that you down)
I know that you might (I know that you might)
I know what you know (I know what you know)
I know what you see (I know what you see)
You know what I got (You know what I got)
But I know what you need (But I know what you need)
(I got)

This one night me and two tings had a threesome
They were all for it, I'm top five in the six side
Ask anybody they all know it
I never trip, I never slip
I spit game they fall for it
Cuzzi had to raise the bar on 'em
Had to cut the shit like a lawn mower
Never stop crossing my mind
I see potential and baby I look till I'm blind

Leave all you exes behind
Love and no limits, no crossing no lines
(Love and no limits, no crossing no lines)
Promise me you'll never tell me a lie
(Promise me you'll never tell me a lie)
Promise me you'll never tell me goodbye

I know what you 'bout (I know what you 'bout)
I know what you like (I know what you like)
I know that you down (I know that you down)
I know that you might (I know that you might)
I know what you know (I know what you know)
I know what you see (I know what you see)
You know what I got (You know what I got)
But I know what you need (But I know what you need)
(I know)

Work, girl I love the way you work
I never been in love
But you could be my first
Work, girl I love the way you work
I never been in love
But you could be my first

I know what you 'bout (I know what you 'bout)
I know what you like (I know what you like)
I know that you down (I know that you down)
I know that you might (I know that you might)
I know what you know (I know what you know)
I know what you see (I know what you see)
You know what I got (You know what I got)
But I know what you need (But I know what you need)
(I know)

Work, girl I love the way you work
I never been in love
But you could be my first
Work, girl I love the way you work
I never been in love
But you could be my first

Lantz is that you?

I know what you 'bout (I know what you 'bout)
I know what you like (I know what you like)
I know that you down (I know that you down)
I know that you might (I know that you might)
I know what you know (I know what you know)
I know what you see (I know what you see)
You know what I got (You know what I got)
But I know what you need (But I know what you need)
(I know)
