Please don't say you love me you don't mean it, lady slow your roll
Life is just a drug but I seen plenty people lose control
And I don't take nothin' for granted
The money done make me romantic
She say I'm gettin' too fancy
I tell her take off her panties
Isn't it funny how my life is riddled by bitches and money?
They didn't hit me before I was poppin' but now when I jump they gon' listen like Sunny
If she a Mariah she can call me honey
Years in the makin' stop callin' me lucky
If I show up then I'm fresher than Dougie
Boy it's a wrap like a mummy

It's comin' so fast I pray that it last (pray that it last)
We comin' in first, you comin' in last (you comin' in last)

I gotta get to the bag (I gotta get to the bag)
It's comin' so fast I pray that it last (pray that it last)
