

## Set Fire

Jazz Cartier

Why every weekend the fiends hit me up and they blow down my cellular  
Word on the road I'm the man in my city but don't shoot the messenger  
Bitches be flocking Jacuzzi at parties as soon as I step in there  
Come to the Palace, but don't be a stranger your girlfriends a regula  
r

Niggas been hating since back in the day  
Please do not think that you bitches is safe  
New to my city but don't let it fool you, you fuck the wrong nigga yo  
u will be replaced  
Pussy is pussy, no need for the chase  
Fuck all you niggas, you niggas is waste  
Why do you niggas love riding my wave  
Man, its still Get Home Safe ain't no need to explain

'Cause we been on that  
Yeah my whole clique been on that  
Yeah we been on that  
Ya'll still on that  
God damn my cities been on that

(Jacuzzi!)

I don't give a fuck, my clique deep nigga  
And we ain't fucking with you, see you in the street nigga [x2]

See the thing with you broke niggas  
You always wanna tell me your problems  
Shit nigga, I ain't really rich myself but keep it to yourself that a  
in't really my problem  
The only reason niggas love bitches, is cause niggas love drama  
Same niggas talking bout they fucking everybody be the same waste nig  
gas who ain't never got condoms  
Damn, Jazzy why you get em like that  
It ain't nothing to me nigga I just got it like that  
Blowing money fast cause I got it like that  
Took a hit last week and I got it right back  
I just do it, this shits nothing  
I think I may have over slept but I'm still stuntin  
I put the bullshit to rest, cause I'm 1up'n  
I got the city on my back ya'll ain't on nothin

'Cause we been on that  
Yeah my whole clique been on that  
Yeah we been on that  
Ya'll still on that  
God damn my cities been on that

(Jacuzzi!)

I don't give a fuck, my clique deep nigga  
And we ain't fucking with you, see you in the street nigga [x2]
