

## Talk 2

Jazz Cartier

L-l-let's go

I don't want your money I want space (I don't want your money)  
Can't nobody put me in my place (can't nobody put me)  
I'm not the nigga you should talk to  
I'm not the nigga you should talk to  
No sequel, you can't get a part two  
I break bread with my niggas, break hearts too  
I'm not the nigga you should talk to  
I'm not the nigga you should talk to

Goin' off, got it ringin' the alarm now  
Pickin' up at the gate, bring dogs out  
Ay, every point gettin' across now (get across now)  
I'm at the point, can't take a loss now (I can't take a loss now)  
Ay, don't tell nobody, just keep this shit quiet (quiet, quiet)  
Yeah, we move in silence, got hittas on silence (hittas on silence)  
Potato tower gon' play with yo tot  
Yeah, straight out the box and 'Cuzzi gon' pop  
Tell me what you see when you look inside the mirror?  
Is it me? Is it clear?  
I need twins you know Tia and Tamara  
Got new clients I might pull up in McLaren (skrr, skrr, skrrr)  
Roll it up in Rotte'  
In the middle of the Summer we was sellin' snow flakes (we was sellin' snow flakes)  
Niggas know where I be, I ain't hard to locate (I ain't hard to locate)  
I got the juice on OJ, if they talk down it's okay, hey (talk down it's okay )

I don't want your money I want space (I don't want your money)  
Can't nobody put me in my place (can't nobody put me)  
I'm not the nigga you should talk to  
I'm not the nigga you should talk to  
No sequel, you can't get a part two  
I break bread with my niggas, break hearts too  
I'm not the nigga you should talk to  
I'm not the nigga you should talk to

I can't make this up, yeah  
Kiss me in the kitchen, I'm a wizard with the dishes  
I can't fall in love, yeah  
Got her feenin' for Jacuzzi, bitch is feelin' that prescription  
I-I-I don't need receipts, no trace when I ball  
(I don't need) no fake friends claimin' day one, I don't recall  
Smoke a leaf inside a double R  
All that shit was written in the stars (yeah)  
Make sure all the numbers are legit (legit)  
Goin' 'til I'm white man, make a list  
We don't keep the work inside the crib (oh no, no)  
We don't do no dirt inside the crib  
Talk to me nice or just don't talk to me  
Why must you always make it hard for me?  
Everywhere I go you follow me  
Always on my shit but you don't follow me

I don't want your money I want space (I don't want your money)

Can't nobody put me in my place (can't nobody put me)  
I'm not the nigga you should talk to  
I'm not the nigga you should talk to  
No sequel, you can't get a part two  
I break bread with my niggas, break hearts too  
I'm not the nigga you should talk to  
I'm not the nigga you should talk to
