

# Which One

Jazz Cartier

Ay, ay, ay  
I can't, I can't, I can't  
Ay, ay

Which one?  
Gucci, Louis which one?  
Two bad hoes, can't pick none  
Rari, Lambo switched 'em  
Then I skrrrr, pull up on the curb  
They like, "What's the word?"  
Always coming first  
I wake up like, "Which one?"  
Gucci, Louis, which one?  
Two bad hoes, can't pick none  
Rari, Lambo switched 'em  
Then I skrrrr, pull up on the curb  
They like, "What's the word?"  
Always coming first

Okay, they call me Koozie baby  
Hair we be lookin wavy  
My girl don't talk  
Look how she walk  
It's like she from the 80's  
Last night she pulled up in that BMW  
And left it in the Mercedes (I see you)  
I've been the one you niggas lazy ballin like McGrady  
I pull up in the free skill  
Don't freak out, no hand out, my nigga don't reach out  
You got an issue with a flirt nigga speak out  
I'm the big beast in the street now  
I used to be a little bo peep  
Till my daddy got a jeep  
I was ridin' on big wheels (big wheels)  
Nowadays I can't sleep through 7 in a week  
Can't say I'm not a big deal (big deal)  
My kick back looking like tip drip  
Getting to the money, can't sit still  
Please do not come with excuses  
If I can't use 'em, they useless Koozie
