

# Sometimes

Jazzamor

Sometimes I feel your love  
like a rose  
in morning dew

Sometimes my heart is blue  
cause your love  
seems so untrue

Refrain:

So come on and take me  
and shake me awake me  
cause life is just more than a dream

It's easy and sleasy  
feel teasy and freezy  
let's sailing along on that stream of love

Sometimes my soul feels free  
like a leaf  
in a summerbreeze

Sometimes I fly away  
with your love  
through night and day

Refrain:

So come on and take me  
and shake me awake me  
cause life is just more than a dream

It's easy and sleasy  
feel teasy and freezy  
let's sailing along on that stream of love

Refrain...
