

Feeling Tonight

Jazzy

I gotta let you know, you're all I really want
Can't take this anymore, stop walkin' out the door
'Cause baby, you don't make it easy, playin' with my heart
Know you're gonna leave me, but I won't fall apart (Oh, oh, oh,
oh)

I got this feelin' tonight, tonight
I got this feelin' tonight
I got this feelin' tonight, tonight
I got this feelin' tonight, babe, babe
