If

Jazzy

If you take me back

Promise I'll be true

I have no right to ask but

I dnt wannah lose you

If you take me back

Give me on more chance

I'll promise I'll be true

I'll make things right again

If you take me back

Promise I'll be true

I have no right to ask but

Baby boy I love you

If you take me back

Give me on more chance

I'll promise I'll be true

I'll make things right again

I'm sorry for what I did and how I did it

Hurtin you is something I ain't plan to do

But what he said how he touch me grab my hand

It made me feel baby what we had was real

And now I kno that being without you ain't and option so I'm a stop this non sense playing games second guessing you ooohh please stay baby please I woul dn't do it to you (nooooooo)

If you take me back

Promise I'll be true

I have no right to ask but

I dnt wannah lose you

If you take me back

Give me on more chance

I'll promise I'll be true

I'll make things right again

If you take me back

Promise I'll be true

I have no right to ask but

Baby boy I love you

If you take me back

Give me on more chance

I'll promise I'll be true

I'll make things right again

What more can I say apologize run through my head please baby I mean what I'm saying in relationships mistakes you make this is one of them baby work through it with me I knoo that this is gonnah take awhile but if you stay and I'll past the test this time I love you refuse to lose you so pleasee would you
