Off My Square

Jazzy

(Verse 1)

Message..

Every minute I'm checking

Making sure that u ain't checked in

That's what happens when u

(Put it down, put it down, put it down like that)

Must say..

I'm so happy u look my way

Grip me up in ur swagger babe

They say that I'm half insane

I really can't blame

(Chorus)

I'm tripping

I don't usually..

Give my heart to anybody

Keep my cool on

Boy I'm trying

Tryna keep my head so I don't fall

But u got me, but u got me, but u got me

Off my square

And u got me, and u got me, in ur pocket

I don't care

I don't know what it is

But I ain't gon fight, ain't gon fight it

How u handle ur bizz

Boy I can't deny it (deny it)

But u got me, but u got me, in ur pocket

I don't care

And u got me, and u got me, and u got me off my square

(Verse 2)

Always kept myself in check

Never have I been like this (no)

I was the one who let him know

(I don't get, I don't get, I don't get attached)

Away baby u got me shook u bate

Has me sink lining hooked all day

U got me

I'm mopping baybay yeah yeah

(Chorus)

I'm tripping

I don't usually..

Give my heart to anybody

Keep my cool on

Boy I'm trying

Tryna keep my head so I don't fall

But u got me, but u got me, but u got me

Off my square

And u got me, and u got me, in ur pocket

I don't care

I don't know what it is

But I ain't gon fight, ain't gon fight it

How u handle ur bizz

Boy I can't deny it (deny it)

But u got me, but u got me, in ur pocket

I don't care

And u got me, and u got me, and u got me off my square

(Bridge)

Tryna keep my cool

Put my game face on when it comes to u

At this point, it don't matter what I do

Double taking every guy cause I think of u

Can't believe its true

Not the type to fall for every guy I like

But something 'bout u made me change all my rules

Can't find what's real

Someone like u

(Chorus)

I'm tripping

I don't usually..

Give my heart to anybody

Keep my cool on

Boy I'm trying

Tryna keep my head so I don't fall

But u got me, but u got me, but u got me

Off my square

And u got me, and u got me, in ur pocket

I don't care

I don't know what it i
