

# Wayzted

Jazzy

- JDoe

Uhn.. Digger

Baby let's face it

Yeah I got u wayzted

But I ain't trynna come at u with all that fake shit

U kinda got me too

I am so into u

That.. if u left me today

I don't know what I would do

Uhn..

Lemme think about it hmmm..

Matter' fact I don't wanna

The way u looking in ma bed

I am so on ya

And when I see yo picture on my cell phone

U think I'm 'bout to miss that call

Baby hell no

I gotta pick it up

I gotta see what's up

I gotta see what u doing so maybe I can cut

Later I'm debating if I'm making all this up

Is a hole in my mind

Or am I really in love

Baby I know u are

Before I go far

I gotta pull my brakes

Wait..

Can I go to hard

I gotta take it slow

Slow as I can take it

Cuz what good does it make it

If both of us is wayzted

- Jazzy

(Verse 1)

Want YOU

Cuz ur energy takes over me yeahhh

I'm taking in more than I can handle

But its u that I need

U ur apart of me

Yes I am feigning for YOU

If u watch the way we move like magic

Pullin' me to u like tricks out ur hat

Baby.. Yes u got it

Time to get away

I need more of u..

Moorree..of u

(Chorus.)

Baby u..got me so..twisted

I don't know what to do

Got me feeling like I'm over my limit with u

And I can't slow down this track

I don't wanna slow down this track

And I'm so gooonnnneee

Wayzted..

Got me so wayzted over u

Wayzted..

Got me so wayzted over u

And I don't know what to do

But I keep running to u

Cuz I'm so..wayzted

(Verse 2)

Why U

Always have me in a place I don't know

And I'm trapped in

Can and should leave when I want

And its clear ur no good for me

Takes so much out of me

Crazy how much I need uuuu

Have control over me

My body craves

I'm a mess if I go more than three days

Baby.. I can't quit u

Gotta get away

I need more of u

I need more of uuuu

(Chorus.)

Baby u..got me so..twisted

I don't know what to do

Got me feeling like I'm over my limit with u

And I can't slow down this track

I don't wanna slow down this track

And I'm so gooonnnneee

Wayzted..

Got me so wayzted over u

Wayzted..

Got me so wayzted over u

And I don't know wha
