Against my will
Tell me how you feel
When all my worries turn to fantasy
I just wanna heal against my soul
Yo

I can never turn to a simp, the sheets don't mean me cold inside (Yeah)
Fuck bitches, get money, the only thing I've been a plan to last (That's right)
I can never cry, but hoes can't lie, got too much pride (Too much, too much), huh
I just think that I misunderstood, I don't know why they call me a toxic guy
Look, I can never turn to a simp, the sheets don't mean me cold inside (It did)
Fuck bitches, get money, the only thing I've been a plan to last (That's right)
I can never cry, but hoes can't lie, got too much pride (Too much, too much)
I just think that I misunderstood, I don't know why they call me a toxic guy (Why?)

She wanna take me in them time, I was out here putting them work
Seen all the kids was a couple of quid, now she wanna link and front me first
Had to beat and block that chick, so more times she could've hurt me first (Yeah)
But I still knew clean hearted, but I got a new code like I came from dirt
I thought I was slick, I was way too thick, getting caught by two best friends (Oh, no)
I was doing it just for the throw, I didn't know they were clocking the end
Can't lie if I keep it real
I know if I could, I would do it again (I would)
Reasons is I've been D.T.B way before TikTok made that trend (D.T.B)

All of the pain I build up quick, there's a reason I chose to smash and dips (Smash)
And I know how it feels being on the other side of the queen, but now it flips (I do)
Acting like she was in love with a kid, fake heart she never stuck to the script

I was the one that took you V it don't make sense of your body [?]
D.T.B but it's A.T.M
I'mma die for my bro, never die for a whore
You don't turn me to a villain, when I just wanted to see you grow (Word)
Can't lie, I ain't seen you in time, you can come to the headline show ([?])
But don't be fooled, I'mma F-U backstage and send you home ([?])
