JBEE

(You are now listening to Young Chencs)
(Roddy, run it up)
So, am I wrong? (Woo)
For thinkin' that we could be something for real?
Now, am I wrong?
For tryin' to reach the things that I can't see?
Been a beautiful week, no time for sleep, but I'll slide on
That's just how I feel
Yo

Been a beautiful week, no time for sleep, but I'll slide on you anytime you need
Even though a man still in the streets, I hope I'm the only guy you see
Huh, never share what's mine, so I hope that you're just for me
Baddest that I've ever been with, golden brown and she five foot three

Need someone to hold it down for life, I don't know if you're with me or not

I was dumb when I took you for granted, you were there when I needed love
She was the only one that stayed around when times were rough
Huh, I can't lack on a date uptown with you, so you know that I keep it tuck

And I feel like she falls in love way more with the kid every time we—
