Will you smile at me again?
I'll look at you once more
That's just what I want, that's just what I want
The reason that I have to come back
The beautiful moments when we were together
The dazzling day when we first met
I'll remember everything and won't forget
I'll hold your hands again like this baby

We probably went too fast
How would it be if we were a little slower?
We both knew the end
But why did we give love to each other?
I hope this is not the end
Let's see you again on a fine day
Bring only good memories, that's what I hope
Baby don't forget about it

Stay here a little bit more, it's warm your warmth
As if we're asleep, we don't speak

But your eyes looking at me endlessly
Look like bursting into tears at any moment
Beyond this time that's a little bit harsh
I'll call you

It was beautiful to meet you in bloom
You're so precious to me
Don't forget me, on a fine day I'll
Call your name
I don't even think of a day without you
It's not the end
Don't forget me, remember me I'll
Call you again

In the autumn with autumn colors
I have a dream that I couldn't complete
At the dawn that I'm trying to sleep with determinations
On a day with flowers in full bloom, you make me cry

The miracle we made together
I hope it will reappear like a miracle
Please remember the wish
That can be realized if we desperately want

Stay here a little bit more it's warm your warmth
As if we're asleep we don't speak

But your eyes looking at me endlessly
Look like bursting into tears at any moment
Beyond this time that's a little bit harsh
I'll call you

It was beautiful to meet you in bloom
You're so precious to me
Don't forget me, remember me

I'm fading away, my eyes become blur
I'll call you again
Call you again, call you again
It's not the end
Beyond this time
I'll call you

It was beautiful to meet you in bloom
You're so precious to me
Don't forget me, on a fine day I'll
Call your name
If I fade away after tonight
It's not the end
Don't forget me remember me I'll
I'll call you again
