I'm your fantasy

You're not a daydreamer
Right in front of you
Is a new fantasy that'll stop all time and space

When you call me
And desperately want me
I'll awaken the senses that spread all over your body

I'm sweet poison
You can't reject or avoid me, no choice
Do you know how your breath and your temperature
Have become hot like fire?

Your fantasy
Take out all of your dreams
That rose out of your imaginations
Because that's me
Set it all on fire
Your burning eyes
Your exploding passion
Take me as much as you want me
I'm your fantasy

The moment you call my name, I'm alive
You're the one who saved me
From being trapped in a maze, right
I hope my voice blooms
In your ears and in your heart
You can imagine and I'll make it real
So all your dreams can be possible

Emotions mixed in this maze
Don't worry
Trust your instincts and follow me

Breathtaking fever
Cause we run so hot
Can't stop now, get on my heart

I'm a sweet prison
You can't escape or hide
You'll get used to my embrace
I know you're falling deeper for me

Your fantasy
Take out all of your dreams
That rose out of your imaginations
Because that's me
Set it all on fire
Your burning eyes
Your exploding passion
Take me as much as you want me
I'm your fantasy

Call my name
Fill me up with you
I'm a masterpiece made with you

Set it all on fire
Your burning eyes
Your exploding passion
Take me as much as you want me
I'm your fantasy
