Joyful day

Wonderful day yeah, special day yeah
When I'm with you
Things always get special
Wonderful day yeah, beautiful day
Thanks for being by my side
Feels like I have it all, joyful day
The nervousness of the first day, and the familiarity now
But my fluttering feelings for you haven't changed baby
Shine on me with those sparkling eyes
So I can find you anywhere

Whisper you love me with that loving voice
So I can only look at you even in my dreams
I've never felt this trembling before
Each day is so new, let's never stop

Wonderful day yeah, special day yeah
When I'm with you
Things always get special
Wonderful day yeah, beautiful day
Thanks for being by my side
Feels like I have it all, joyful day

We held hands and walked through the dawn
So many things try to keep us apart
Joyful, but spectators will look at us

And be shocked, we'll just go again, red sun
What did you do to me?
Why can't I breathe when I see you?

Wait, I'm not pushing, I'm pulling
Let's hurry, you know our time is like a waterfall
I like everything
I nod my head to your music
Mayday mayday mayday
Hold me tighter because I can't breathe

Whisper you love me with that loving voice
So I can only look at you even in my dreams
I've never felt this trembling before
Each day is so new, let's never stop

Wonderful day yeah, special day yeah
When I'm with you
Things always get special
Wonderful day yeah, beautiful day
Thanks for being by my side
Feels like I have it all, joyful day

Feels like I have it all
Wonderful day and wonder you baby
I ask and ask but I'm still curious about you
Let's clean up this table, watch me nae nae babe

I think of you and give thanks several times a day
I wonder if you feel the same way

How deep is your love
Tell me right now that you only have me too
I'll only look at you till I run out of breath
I'll be your man

Wonderful day day
Beautiful day day
Joyful day day
If I'm with you

Joyful day day
Beautiful day day
Wonderful day day
Always

Wonderful day yeah, special day yeah
When I'm with you
Things always get special

Joyful day
