

Parachute

JC Stewart

I know on the phone
It's so hard to tell when you cry
It's like pouring a breaking heart
Down a broken line
Tryin' to hold on forever
You're the last thing I ever wanna leave
Won't you spare me a second
While I hold every breath inside of me

If you swear to me
That it's not over
I swear I'll believe

And oh give me a lie
Like a parachute
To break my fall
After me and you
And oh...
Swear to me
I swear I'll believe
Hey... hey...
Hey... hey...

I swear on my life
If you tell the truth
Then I'll die
So just tell me a lie
There's a good chance
I'll survive
I'm losing grip onto heavens
And I know that you see me
Falling down

But if you swear to me
That it's not over
I swear I'll believe

And oh give me a lie
Like a parachute
To break my fall
After me and you
And oh...
Swear to me
I swear I'll believe
Hey... hey...
Hey... hey...

And maybe I'll go blindly
Making no sound
I'm praying that you'll catch me
Before I crash down
I'm falling down from the heavens
And you know that
I'm gonna hit the ground

But if you swear to me
That it's not over

I swear I'll believe

Give me a lie
Like a parachute
To break my fall
After me and you
And oh...
Swear to me
I swear I'll believe

Hey... hey... (Give me a lie like a parachute)
Hey... hey... (Give me a lie)
(Swear)
Hey... hey... (Give me a lie, give me a lie)
Hey... hey...
