

90's Green Screen

Jean Dawson

I don't condone violence

All young kings get their heads chopped
Rolling 'round town with a new gun
Everybody wanna be the new son of God
Sittin' where the grass greener
Relaxed-feelin', past the leader
Past the latter, I'm the standard, I
Know the future, I see two days in front of me
Be the you you wanna be
Be

I'm the boy with scars on his face
My permanent black eye looks like I cry paint
My Jordan 1's covered in blood
My denim jeans have lipstick stains

I have razor blades hidden in my mouth
I don't leave home without the pistol out my couch
Creepers at my door, I don't go out there no more
I don't feel safe, I don't feel safe, I don't (I don't) feel safe

I don't feel safe, I don't feel safe
Cops is on my block, I got me a Glock
Let it bang, ain't no fear in me
I don't feel safe, I don't feel safe
Cops is on my block, I got me a Glock
Let it bang, ain't no fear in me

If you want me, come find me
You won't catch me sleepin'
If you 'bout it-'bout it don't let me see you bleeding
If you want me, come find me
Don't let me catch you sleepin'
If you 'bout it-'bout it don't let me see you bleeding

I have razor blades hidden in my mouth
I don't leave home without the pistol out my couch
Creepers at my door, I don't go out there no more
I don't feel safe, I don't feel safe, I don't (I don't) feel safe

I don't feel safe, I don't feel safe
Cops is on my block, I got me a Glock
Let it bang, ain't no fear in me
I don't feel safe, I don't feel safe
Cops is on my block, I got me a Glock
Let it bang, ain't no fear in me

Safe
Safe
Safe
Safe
Safe
