

PORN ACTING*

Jean Dawson

Two-faced friends out my window
You should look around
Half these people got it out for me
Lord knows it's hard to make friends though
I should stick around
Nobody is worse than me
I can get messy
Life can get messy
Your life is a movie
The only one acting
I am not acting
I am the action
Flashing lights I might just die
Tonight if I don't calm down

I'm full of shit just like you
Ha ha ha
Dumpster fire, bitch, I'm bullet proof
Ha ha ha
Anything you say about me, can say about you
Ha ha ha
Boy, don't play me, put you on a tee-shirt
Put you where your knees hurt, put you in a grave

We're all ants crawling up a hill
Try my best not to get stomped out
Greener grass not even real
Fake my death, Tupac myself
And I'm Suge Knight with a big whip
Fuck around you gon get hit
Got a little switch with the hollow tip
Got a best friend that won't say shit
I can get messy
Life can get messy
Your life is a movie
The only one acting
I am not acting
I am the action
Flashing lights I might just die
Tonight if I don't calm down

I'm full of shit just like you
Ha ha ha
Dumpster fire, bitch, I'm bullet proof
Ha ha ha
Anything you say about me, can say about you

Put you where your knees hurt, put you in a grave
