

Stained Bones

Jean Dawson

Seen my daddy drink alcohol
Imma die with a gun in the crowds
I can't be drunk like you
I don't need no reason why I'm feelin' crazy
And if I pass away, don't dig a grave
Bottle my ashes
Poor me glasses
Keep me flat
It's the way I taste, it's the way you drink that make me grey

(Goin' so faaaar awaaay)
(Goin' so faaaar awaaay)
(Goin' so faaaar awaaay)
(Goin' so faaaar awaaay)

If you love me the way you love Henny
If you love me the way you pour Henny
[?], wish life was simple
I just gotta drink a little

(Oooooooooh)
(Oooooooooh oooh hoooh)
(Oooooooooh)
(Oooooooooh oooh hoooh)
(Oooooooooh)
(Oooooooooh oooh hoooooooooh)

Seen my daddy drink alcohol
Imma die with a gun in the crowds
I can't be drunk like you
I don't need no reason why I'm feelin' crazy
And if I pass away, don't dig a grave
Bottle my ashes
Poor me glasses
Keep me flat
It's the way I taste, it's the way you drink that make me grey
Make me grey
That shit make me grey
That shit make me grey

(Goin' so faaaar awaaay)
(Goin' so faaaar awaaay)
(Goin' so faaaar awaaay)
(Goin' so faaaar awaaay uh)
