Code

Jean Deaux

People gargle my name up in they jaw
Whole team really keep it like the law
And I'm riding for em never snitch, I'd take the fall
If you loyal you relate
When the willing is the cause
I'm too divine for rule and time
So when muhfuckas hit my line
I hit decline
I give em treats til they beggin for no more, yea
Canines wanna bite?
Make em fetch it every time

And if you lookin for some
Then Imma give it to you
We in this bitch Babylon, ons die amoriet
I know you got many thoughts but can you stick it to me
Lil Brutus wanna Judas all up on my glory days

You can speak it loud don't speak in code!
Cause Imma tell it til the speakers blow
I don't really brag but I need some more
If you want delivery I'm Bob bring it to yo door

Count on me to light your pathway
Come on follow me
I'll show you right way
I inspire movement in the same day
Balance all the planets like its childs play
Show you how to sharpen intuition
Get a clearer grasp on all your visions
This is magic, never superstition
I came down to impart all the wisdom

I can't be in this life
In your version of time
I'm doing fine
In my mind

Niggas wanna know me now
The singing la la lonelys
Phonies in the upper snubby crowd
They too loud
If you really bout it
Bring a little homie
Imma show you how to shut your mouth

Styling on em bitch sorry that you not it
Silly rabbit it ain't really tricking if you got it
In a chilly rabbit, PETA cannot say its NOT sick
I see it then I make it real- niggas call me prophet

All these bitches mediocre if you ask me
Wasn't really an athlete, making the game a track meet
Tuggin on me hard
Watch me cook up all this crack, sweet
Bitches is really crab meat
AndIm Stacy, bitch

Cry babies in the backseat
Bouncing on the beat just like a trampoline, fancy
Now they saying bitch if you gon do it, do the damn thing
What's a campaign to a stampede?
Life is a fight club, put it on the black street

You can speak it loud don't speak in code!
Cause Imma tell it til the speakers blow
I don't really brag but I need some more
If you want delivery I'm Bob bring it to yo door
