

## Diamonds Interlude

Jean Deaux

I'll pay, for your love  
I'll stay for your love  
Oh I'll wait for your love  
If it that's what it takes for your love

I'll jump for your love  
Cause I'll run for your love  
Use a gun for your love  
Cause there's only one of your love  
Your love  
Your love

I will wait  
I will wait  
For your love

I will wait  
I will wait  
For your love

I will wait  
I will wait  
For your love

I will wait  
I will wait  
For your love

I will wait  
For your love

I will wait
