

Dog

Jean Deaux

Who would keep shit hot if I leave? (JD)
Ain't a bitch even built like me (Huh)
Got a dip, that strip over east
Hawk me, not P (Uh)
New benz, who stepped for my key? (Me)
Same bitch, raw denim, Japanese
One SD, but he want a number three
Too damn bad, I'll be who sidepiece? Hey
I run them bands like burned calories
My love below three-thousand degrees
This blick live in my lap, I don't leave her
Misfit french, wanna kiss it for a visa (Shit, [?])
So put it on me, put it on me, babe
One round, now he runnin' laps
He gon' shoot, but baby kick back

I'm a dog (Dog), don't want no drama
I'm a demon, better keep me comin', I'm Inuyasha
I'm bankin' on you like Sasha (It better be you), I'm bangin' on you like op
pas
I'm hot already, that top so heavy, you makin' me lose my posture

Tell me baby, it's good or gravy?
You got that shit that have me shaky
That head so fire, like mhm, my God
This pussy crazy, I got a sticky situation
Now come here, talk up on it, can you keep a conversation?

Hot boy don't play me (Uh-uh)
Kiss up to baby, I'll ride it
Switch up 180, then balance the calculator (Uh-uh)
No cap me, he crazy, say ''Can you decapitate me? '' (Uh-huh)
Way Rémy got me, it's givin' the wet and wavy, uh
I got that shit, make 'em ''Ooh''
You got it all, but I still can take more, hey
He want two hours to four
One minute man once he walk in this door, hey
Look in his eye for the nut
I say ''Lil' bitch, is you comin' or what'', bae
Come eat it up like a whore, I make a decent man into a slut, eh

I'm a dog, don't want no drama
I'm a demon, better keep me comin', I'm Inuyasha
I'm bankin' on you like Sasha, I'm bangin' on you like oppas
I'm hot already, that top so heavy, you makin' me lose my posture

Tell me baby, it's good or gravy?
You got that shit that have me shaky
That head so fire, like mhm, my God
This pussy crazy, I got a sticky situation
Now come here, talk up on it, can you keep a conversation?

You got that shit that, that, woah, head
I got a sticky sit-
Now come here, talk up on it, can you? Hey
