Jean Deaux

VZN, VZN, VZN
Yeah, yeah
Yeah, yeah

Ayy, you don't know I'm real, bitch?
New coupe like, what is it?
Be a realist
I'ma spend more than a lil' bit
Pop the pussy in the cartwheel, bitch
Spot a lil' flip
And speakin' of real shit
I used to be the kid, now I'm real rich
Let me see your plug walk, kick it
Try to pull my card and you can go fishin'
Lil' boo gon' kill shit
Ride with the bull for a million

Might break a tradition
You ain't gotta like my opinions or who my friends is
Tell me where the Benz is

I say, "Bae, don't play" (Don't play)
Back it up and they hate, okay (Okay)
I like a bitch to say okay (Okay)
Killin' the game, no case, OJ (OJ)

These niggas ain't rich
Really hoes and they ain't friends
Broke tryna pose but they can't blend
Blowed up fuckin' with my same friends
Man got the kicks to the pavement (Ugh)
Xbox plugged in mama's basement
Lil' pussy get straight for ya, paint drip
Strap a ho and I know you don't take dick
And ask ma what's my name, OJ
No Cool J, I lose it, when you say
Skin deep, you know it's bruising
And yeah, I'm still the same G
Them diamonds on, kiss me gently
[?] Bentley
Bitch, I got heat and A/C

They say, "Bae, don't play" (Don't play)
Back it up and they hate, okay (Okay)
I like a bitch to say okay (Okay)
Killin' the game no case, OJ (OJ)

Anyway, I like you
If I change, I'm likin' you
Feel that? Yeah, right
Where you at? [?]
You got somethin' so [?] you
