

# I'd Rather Die Young

Jean Shepard

Please, don't leave me never leave me

I'd rather die young than grow old without you  
So don't ever leave me whatever you do  
Though others may tempt you and tell you they care  
You'll find only sorrow in a secret affair

I'd rather die young than grow old all alone  
Please, tell me you love me let me call you my own  
To see someone's picture where my picture hung  
Believe me my darling I'd rather die young

Don't leave me, never leave me  
Please, don't leave me never leave me

I'd rather die young
