

## Admit It

Jeangu Macrooy

I see the looks when you're walking by  
I think I'd like to see them all try  
'Cause they got nothing on me  
'Cause they're nothing like me  
And I don't have much, but I got the loving you need, yeah  
'Cause they got nothing on me ('Cause they got nothing on me)  
'Cause they're nothing like me ('Cause they're nothing like me)  
And I don't have much, but I got the loving you need, yeah

All of the other boys they don't compare  
No, they can't turn you on, not like I can  
Admit it

You need to stop and open your eyes (You're wasting your time)
