

If living was easy it wouldn't be worth it  
'Cause if there was sunshine every day, you wouldn't notice  
If living was endless it would be pointless  
Why would you care about this moment if you had forever?  
Oh, bless the old and pity the young  
They don't know what's yet to come  
Life is like a gambling game  
You try your luck every day  
Sometimes you lose, sometimes you win

I wanna dance on the edge of my dreams  
I wanna fall in love with the mystery  
I wanna rise with the wind as I'm growing wings  
I [?] so high up than I've ever been and scream out loud "I'm alive"

If loving was simple you wouldn't bother  
'Cause why would you spend your whole life chasing  
Something that doesn't make you wonder?  
Is there something higher? (Higher), is there something deeper?  
Is there a chance we'll get to meet again after it's all over?  
And don't it make you wanna pray?

I wanna dance on the edge of my dreams  
I wanna fall in love with the mystery  
I wanna rise with the wind as I'm growing wings  
I [?] so high up than I've ever been and scream out loud "I'm alive"

I'm alive  
I'm alive (I'm)  
I'm alive (Yeah-yeah)  
I'm alive

I wanna dance on the edge of my dreams  
I wanna fall in love with the mystery  
I wanna rise with the wind as I'm growing wings  
I [?] so high up than I've ever been and scream out loud "I'm alive"  
I [?] so high up than I've ever been and scream out loud "I'm alive"

I'm alive (Yeah)  
I'm alive (I, I'm)  
I'm alive (Hey)  
I'm alive (Oh)  
I'm alive  
I'm alive (I'm)  
I'm alive  
I'm alive
