

Second Hand Lover

Jeangu Macrooy

Gone are the days
I used trade my lovers with the seasons
Failing to find a way to stop this heart from bleeding
From bleeding
But now I've found
A greater understanding of my demons
And my faith transcends all reason

I don't need no second hand lover
To make me feel alive
I don't need no second hand lover
To make me feel alive

Dark as the nights
Were the battles that I often fought in silence
Failing to see the light that guides this fragile existence
Oh-oh-oh-ooh, but now I know (now I know)
To love and be loved is my only intention
My heart is my religion

I don't need no second hand lover
To make me feel alive
I don't need no second hand lover
To make me feel alive
Alive

(I don't need no) I don't need no
(No second hand lover) no second hand lover
(To make me feel alive) make me feel alive
(I don't need no) no, no
(No second hand lover) no
To make me feel alive

I don't need no
No second hand lover, no
To make me feel, to make me feel alive
I don't need no, no second hand lover
To make me feel alive

I don't need no
No second hand lover
To make me feel alive (make me feel, make me feel alive)
I don't need no
No second hand lover
To make me feel alive, oh
