Jeangu Macrooy

The flesh I'm made of, oh boy, it's a temple
This is holy ground, this is holy ground
So now I've let you in, show your devotion
This is holy ground, this is holy ground
Hey, and if you're looking for a blessing

I need you to worship my body
Worship my body
I need you to worship my body
Worship my body

Heaven is a place on Earth
And it's right here in this room
It is right here in this bed
Right here with you

I need you to worship my body (Oh, yeah)
Worship my body
I need you to worship my body
Worship my body

If you're looking for a blessing, oh
I need you to worship my body (Worship this body)
Worship my body (Oh)
I need you to worship my body (Come on)
Worship my body

If you're looking for a blessing, come on
(Come on, come on, come on, oh, come on)
If you're looking for a blessing, come on (Yeah, yeah, yeah, oh
)
