

## Can I Sleep In Your Arms Tonight

Jeannie Seely

Don't know why, but the one I love left me,  
Left me lonely, and cold and so weak,  
And I need someone's arms to hold me,  
'Til I'm strong enough to get back on my feet.

Can I sleep in your arms tonight, Mister,  
It's so cold lying here all alone,  
And I have no hold to hold on you,  
I assure you I'll do you no wrong

I haven't smiled since he left me,  
'Cause a smile somehow seems out of place,  
And I just need two lips to kiss me,  
Then I can smile again and I can show my face.

[2x:]

Can I sleep in your arms tonight, Mister,  
It's so cold lying here all alone,  
And I have no hold to hold on you,  
I assure you I'll do you no wrong
