Jeannie Seely

Like a storm your love swept through me and I was left up for d ead $$\operatorname{\mathtt{But}}$$ when the storm was over a voice within me said

At least I've got these mem'ries they'll shield me from the col $\ensuremath{\mathtt{d}}$

At least I've got these mem'ries they'll be with me when I'm ol d

Oh I was warned about you to stay out of your way

At least I've got these mem'ries they'll shield me from the col
d

But when arms ache for you these memories are hard to hold
