Big Beer Wall

Gonna build a big beer wall It's gonna be fifteen feet tall Build it strong so it won't fall Gonna build a big beer wall

Gonna build a big beer wall Wouldn't do to build it small Got a feeling it's my call So I'm gonna build a big beer wall

Big beer wall, big beer wall Gonna build myself a big beer wall Big beer wall, big beer wall Gonna build myself a big beer wall

Gonna build a big beer wall It's gonna be fifteen feet tall Got a feeling it's my call So I'm gonna build a big beer wall

Big beer wall, big beer wall Gonna build myself a big beer wall Big beer wall, big beer wall Gonna build myself

Big beer wall Big big Beer wall Big beer wall
