

Don't Stop

Jebediah

Give me coffee grind
Analgesic mind
Cause I'm open now
To a big mistake
And I need to know
There's a lot involved
That I want to show
But it's suicide, oh

I'm just so, oh!
So, oh!
I'm just so, oh!
So, oh!

I got coffee mind
Two teeth to grind
When I go to ground
I am so in love
And it's easy though
You're a light my load
Enigmatic soul
Now I'm all in, oh

I'm just so, oh!
So, oh!
I'm just so, oh!
So, oh!

Don't stop, keep it connected!
Don't stop, keep it connected!
Don't stop, keep it connected!
I, I won't stop
Don't stop, keep it connected!
Don't stop, keep it connected!
Don't stop, keep it connected!
I'm all for keeping connected!

Don't stop, keep it connected!
Don't stop, keep it connected!
Don't stop, keep it connected!
I, I won't stop
Don't stop, keep it connected!
Don't stop, keep it connected!
Don't stop, keep it connected!
I'm all for keeping connected!

Give me coffee grind
Analgesic mind
Cause I'm open now
To a big mistake
And I need to know
There's a lot involved
That I want to show
But it's suicide, oh

I'm just so
