

IWANNAGETOUT

Jebediah

I'm kinks and knots
And suffocating, I know
I'm here and there
But never anywhere so
I'll breathe it in
And breathe it out until my blood boils up

I know, I know
Of thoughts so terrifying
I'm fits and starts
And missing everything cause
I sleep alone
Until I'm broken and my blood boils up

Cause I
I wanna get out!
I wanna get out!
I wanna get out!
Yeah yeah yeah yeah
I
I wanna get out!
I wanna get out!
I wanna get out!
Yeah yeah yeah yeah yeah yeah

I'm kinks and knots
And suffocating, I know
I'm here and there
But never anywhere so
I'll breathe it in
And breathe it out until my blood boils up

I know, I know
Of thoughts so terrifying
I'm fits and starts
And missing everything cause
I sleep alone
Until I'm broken and my blood boils up

Cause I
I wanna get out!
I wanna get out!
I wanna get out!
Yeah yeah yeah yeah
I
I wanna get out!
I wanna get out!
I wanna get out!
Yeah yeah yeah yeah yeah yeah
