

# The Lash

Jebediah

First comes the call we're going out on the lash  
And you can come back to mine if you need a place to crash  
Got some friends in town saying they can make it better  
Well I guess that's what you get for tryin' to make a splash

You kiss kiss your consequence  
Your consequence good night  
You kiss kiss your consequence good night

She's just a friend  
Who burns to the end  
She just goes on and on and on  
And just like a friend  
I rush to defend  
We'll just go on and...

Chase it  
Find it  
Taste it  
Don't waste it

You kiss kiss your consequence  
Your consequence good night  
You kiss kiss your consequence good night

She's just a friend  
Who burns to the end  
She just goes on and on and on  
And just like a friend  
I rush to defend  
We'll just go on and on and on

Kiss it goodnight!  
Kiss it goodnight!  
Kiss it goodnight!

Wake up, pause, reflect  
Last night I called you collect  
It's good to know when you go we can always connect

She's just a friend  
Who burns to the end  
She just goes on and on and on  
And just like a friend  
I rush to defend  
We'll just go on and on and on  
She's just a friend  
Who burns to the end  
She just goes on and on and on  
And just like a friend  
I rush to defend  
We'll just go on and on and on
