

# You

Jebediah

Three, Four!

[Verse 1:]

Well, I don't expect to see you all the time,  
Yeah every second day would still be fine,  
Cos I love all of the funny things that you do,  
I Couldn't think of anything that would be better,  
then being here with you,

[Chorus:]

You, you, I love the funny things you do,  
You, you, I'm gonna be here through and through,  
You, you, sometimes I wouldn't have a clue,  
You, you, well would I be here without you,  
Without you.

[Verse 2:]

We can sit around the house and watch TV,  
And all the crazy stories you can tell me,  
Well I probably won't be hearing nothing new,  
But I wouldn't want to listen to anyone else,  
to anyone else yeah but you,

[Chorus]

Without you  
Oh!  
Break it down

[Chorus]

Lalalalala  
Oh yeah
