

Bad Boy

Jebroer

Bad boy
Can't change a bad boy
And I know your mama says that boy means drama
But I am a bad boy
Can't change a bad boy
I would like to please your mama
But my baby needs a bad boy
Can't change a bad boy
And I know your mama says that boy means drama
But I am a bad boy
Can't change a bad boy
I would like to please your mama
But my baby wants me bad
Baby wants me bad

Tell me what you see you want to be me when you look at me
Ice-cold brrrr you just try to be as cool as me
You didn't go to school with me can teach you a lesson
Gotta dance with the devil cause a loser goes to heaven

Bad boy can't change a bad boy
And I know my momma says that boys means drama
But I need that bad boy
Can't change a bad boy
I would like to please you mama
But my baby wants me bad
Baby wants me bad

Bad boy
Can't change a bad boy
And I know your mama says that boy means drama
But I am a bad boy
Can't change a bad boy
I would like to please your mama
But my baby wants me bad
Baby wants me bad
