How Can I Fall

Jed Madela

Give me time to care, the moments here for us to share
Still my heart is not always there
What more can I say to you

Could I lie to you, I'm just too weak to face the truth
Now I know I should make a move
What more can I say

How can I fall, how can I fall
When you just won't give me reasons
When you just won't give me reasons at all

When all faith is gone, I fight myself to carry on
Yet I know of the harm I do, what more can I say to you
Now I hold this line, I know the choice to leave is mine
I can't help what I feel inside
What more can I say

How can I fall, how can I fall
When you just won't give me reasons
When you just won't give me reasons at all

I'll follow through, I'll see I do
When the time is more right for you
I'll make that move, and when I do
Will I doubt again, the way I do

How can I fall, how can I fall
When you just won't give me reasons at all

How can I fall, how can I fall
When you just won't give me reasons
When you just won't give me reasons
How can I fall, how can I fall
When you just won't give me reasons
When you just won't give me reasons

Just won't give me reasons
Just won't give me reasons at all

How can I fall, I fall, I fall
How can I fall for you

How can I fall, how can I fall
When you just won't give me reasons
When you just won't give me reasons
