

# I Got Your Back

Jed Madela

When times get rough  
And you need someone who will carry  
You through the night  
A hand to hold  
A shoulder to lean on when you can't go on  
Don't be afraid  
I will be there with you through it all  
I promise  
Every step of the way, cause...

I got your back  
Even when the sun don't shine and the rain keeps pouring down  
I got your back  
When you get your heart broken I will help you pick up the pieces  
I got you...  
I got your back  
I got you...  
Don't be afraid because  
I got your back

I'll be your strength  
When you're weak and low and don't  
Know where to go  
You'll have your doubts  
But as long as I am here, don't fear,  
I won't let you down.  
Don't be afraid  
I will be there with you through it all  
I promise  
Wherever you go I will follow...  
I will follow...

(And) I got your back  
Even when the sun don't shine and the  
Rain keeps pouring down  
I got your back

When you get your heart broken I will  
Help you pick up the pieces

I got you...  
I got your back  
I got you...  
Don't be afraid because  
I got your back  
When your days turn into nights  
I'll be your guiding light  
I got your back

I'll be your shelter from storm  
And keep you safe from harm  
Just remember

I got your...  
I got your...  
I got your...  
I got your back

Even when the sun don't shine and the rain keeps pouring down  
I got your back  
When you get your heart broken I will  
Help you pick up the pieces  
I got you...  
I got your back  
Don't be afraid because  
I got your back  
Even when the sun don't shine and the rain keeps pouring down  
I got your back...

When you get your heart broken I will  
Help you pick up the pieces  
I got you...  
I got your back  
I got you...  
I got your back.
