

# Wish U The Worst

Jed Madela

Oh boy, hey

Isn't it obvious?  
You know that I'm doing great  
Don't dare say the same  
I heard you been crumbling  
I gotta be honest, yeah  
I kinda expected  
That you'd still be the same  
Like how I left you

You still got these bible verses on your profile  
You want it all but you won't pay the price  
You make these stories up, you ruin the vibe  
No chance, no thank you, I'm not falling for your lies

Hope I don't see you again  
I wish you the worst  
Yeah I wish you, I wish you the worst  
I'm glad that this is the end  
I wish you the worst  
Yeah I wish you, I wish you the worst

I used to cry so much about ya  
Now life is so much better without  
If only I knew what I know right  
Then I wouldn't ever gotten around ya  
You spent my money on things  
That made you look so basic  
So basic, yeah

You still got these bible verses on your profile  
You want it all but you won't pay the price  
You make these stories up, you ruin the vibe  
No chance, no thank you, I'm not falling for your lies

Hope I don't see you again  
I wish you the worst  
Yeah I wish you, I wish you the worst  
I'm glad that this is the end  
I wish you the worst  
Yeah I wish you, I wish you the worst

You'll see me wherever you're going  
Hear my name everywhere  
And I won't remember your snow  
Thinking 'bout me every night  
While I'll be living the life  
Too bad, your loss, no not mine

Hope I don't see you again  
I wish you the worst  
Yeah I wish you, I wish you the worst  
I'm glad that this is the end  
I wish you the worst  
Yeah I wish you, I wish you the worst
