## Jedi Mind Tricks

Yeah  
One, two  
One, two  
One, two  
Yeah  
One, two  
One, two  
One, two  
Aight look  
Yeah

Anybody think they can't test the bol, proolly  
Word bond, this is the best, that Sean Connery  
We pure, come from the chest of Bob Marley  
There's pain from the waste of the flesh, that's not godly  
Cube started out on the west with my posse  
No [?] put mess in my body  
Bullets gonna rip through the vest like hot saki  
Always gonna give you the best, but not Robby  
Everything herb and liquor like hot toddy  
We gon' trick 31 like Rob Zombie  
You can't control the drum, you rock sloppy  
I don't play second fiddle, I'm not Scottie  
If Vinnie gonna spray the block, he rock shotty  
The .45 caliber kick and stop Roddy's  
Weisenthal loaded the clip and shot Nazis  
Now to rhyme, made a decision and shot Ghandi

They don't make me feel like I gotta bust a shot. Hoo!  
(One two) Shot  
(Yeah, yeah)  
They don't make me feel like I gotta cock this nine. Hoo!  
(One two) Nine  
Hah hah

There's no choice wielding here, salute Generals  
Cops trying to get him on lock to boost Federal  
They said Vinnie one of the best but too technical  
When I tried slowin' it down it's too sensical  
The covenant dark in the soul, the Blue Sentinal  
Call this little 9 a dime and shoot ten at you  
The mark that we made in the game, too indelible  
God made dirt, and dirt produce vegetables  
My heart pumps, runnin' the lane, you move minimal  
It's octopus slums so beware a few tentacles  
The rhyme too fine and the wine too delectable  
My voice wave stronger than yours, it move decibals  
Manowar making it loud and move decibal  
The snare don't knock and the kick is too minimal  
Sayin' that you're better than dirt is too literal  
Straight left over the jab induce medical  
Muerte

They don't make me feel like I gotta bust a shot. Hoo!  
(One two) Shot  
(Yeah, yeah)  
They don't make me feel like I gotta cock this nine. Hoo!

(One two) Nine  
Hah hah

Yeah  
Stoupe what up
