

# Heroes Of The Future

Jedward

We'll fight like knights  
Are you ready to go?  
Oh, the thrill of it all  
Long live the rebels  
Feel the rush of the chase  
What you waiting for?  
There's no time for surrender  
Bring on whats to come  
We're living with no fear  
Wont let the music die  
We're made of something real  
Oh, hear this battle cry

Together we can be  
The heroes of the future  
There's a fighter in me  
Who knows what we'll become  
So let's get fired up  
Strike like a bolt of thunder  
Oh, we can be the heroes of the future...

We'll fight like knights  
Are you ready to go?  
Oh, the thrill of it all  
Long live the rebels  
Look for the bright side in this life  
Do what makes you happy  
Do what makes you smile  
Cause there's a flickering light  
I see in your heart  
Oh, you're as rare as they come  
You shine bright like the sun

Together we can be  
The heroes of the future  
There's a fighter in me  
Who knows what we'll become  
So lets get fired up  
Strike like a bolt of thunder  
Oh, we can be the heroes of the future...
