

Taste The Heat

Jedward

You got me all charged up
With pure emotion
A passion running deeper then the ocean
And I can't get enough
No, I can't get enough of your loving

So let me take you there
Let me take you there
To show you I really care
Cause I'm feeling so alive
You got me feeling so alive
Can you be mine tonight

Cause I see you strut your stuff
When you walk in the room
And I'm right here enjoying the view
Cause I see you strut your stuff
So what we gonna do?
Yeah, I can taste the heat
I know you feel it to
You feel it to...
Between me and you...
So what we gonna do?

Yeah, baby, work the body
Press it up on my
Come on, lets make some moonlight memories
Oh baby, work the body
Press it up on my
Yeah, I can taste the heat
I know you feel it to
You feel it to...
Between me and you...
So what we gonna do?

Yeah, I can see the wonder
When I look in your eyes
So baby, feed the hunger
I got deep inside
Cause it feels like the first time
Yeah, it feels like the first time
Can you be mine

Cause I see you strut your stuff
When you walk in the room
And I'm right here enjoying the view
Cause I see you strut your stuff
So what we gonna do?
Yeah, I can taste the heat
I know you feel it to
You feel it to...
Between me and you...
So what we gonna do?

Yeah, baby, work the body
Press it up on my
Come on, lets make some moonlight memories

Oh baby, work the body
Press it up on my
Yeah, I can taste the heat
I know you feel it to
You feel it to...
Between me and you...
So what we gonna do?

Cause I see you strut your stuff
So what we gonna do?
Yeah, I can taste the heat

You feel it to...
Between me and you...
So what we gonna do?

Let's go...
