

# The Wings Of Mama's Prayers

Jeff Bates

I'd been to church on Sunday, and I'd been in jail  
And I put my family through livin' hell  
And I'd been a heavy cross to bear  
On the wings of mama's prayers

I spent her last dollar on somethin' bad for me  
I finally hit rock bottom, couldn't get up on my knees  
But the strength came to lift me up from there  
On the wings of mama's prayers

I see her by the bed with her Bible open wide  
Lookin' up at Heaven with tears in her eyes  
She knew when I was troubled, she knew when I was scared  
And I found salvation on the wings of mama's prayers

I was lost in the darkness searchin' for the end  
But the light of mama's love led me back again  
An' if I've got a place in Heaven, I'll get there  
On the wings of mama's prayers

I see her by the bed with her Bible open wide  
Lookin' up at Heaven with tears in her eyes  
She knew when I was troubled, she knew when I was scared  
And I found salvation on the wings of mama's prayers  
I'm still holdin' on to the wings of mama's prayers
