

Isolation

Jeff Beck

People say we've got it made
Don't they know we're so afraid?
Isolation

We're afraid to be alone
Everybody got to have a home
I... Isolation

Just a boy and a little girl
Tryin' to change the whole wide world
I... Isolation

The world is just a little town
Everybody trying to put us down
I... Isolation

I don't expect you
To understand
After you've caused
So much pain
But then again
You're not to blame
You're just a human
A victim of the insane

We're afraid of everyone
Afraid of the sun
I... Isolation

The sun will never disappear
But the world may not have many years
I... Isolation

I don't expect you
To understand
After you've caused
So much pain
But then again
You're not to blame
You're just a human
A victim of the insane
Victim of the insane

People say we've got it made
Don't they know we're so afraid?
I... I...
