

Rocking Is Our Business

Jeff Beck

Rockin' is our business
And rockin' is what we do (oh yeah)
Rockin' is our business
And rockin' is what we do (oh yeah)
Come on everybody, we want you to rock with us too
Now we've got Don on sax, Rudy on drums
Shifty on bass, Gene on the piano
Cliff and Claude sing and jive
Come on everybody get the joint alive
'Cause rockin' is our business
And rockin' is what we do
Rock (rock) rock everybody
Rock (rock) rock everybody
Rock (rock) rock everybody
Rock (rock) rock everybody
Rock (rock) rock everybody
Rock, rock, rock, rock

When you go out and hire a hall
And you want the joint to rock
All you do is give us a call
We'll be Johnny on the spot
'Cause rockin' is our business
And rockin' is what we do
Rock (rock) rock everybody
Rock (rock) rock everybody
Rock (rock) rock everybody
Rock (rock) rock everybody
Rock (rock) rock everybody
Rock, rock, rock, rock

Rock, rock, rock, everybody
Rock, rock, rock, everybody
Rock, rock, rock, everybody
Rock, rock, rock, everybody
Rock, rock, rock, everybody
Rock, rock, rock, rock
Rock!
Rock!
Rock!
